

Extended Credit Support Measures for Individuals

! Please refer to www.mas.gov.sg/covid-19 for details and eligibility criteria. Borrowers who are unable to service payments under the below programmes should approach their banks early to discuss alternative repayment options.

Property Loans

- You may apply to make reduced instalments pegged at 60% of your monthly instalment for up to 9 months, or 31 December 2021, whichever is earlier.
- Loan tenure extension of up to 3 years can be granted on a case-by-case basis.
- Application period is extended until 30 September 2021.

Renovation and Student Loans

- You may apply for a loan tenure extension of up to 3 years.
- Application period is extended until 30 September 2021.
- The student loans measure covers all non-MOE student loans.

Motor Vehicle Loans and Hire-Purchase Agreements

- You may approach your lender to discuss suitable repayment plans on a case-by-case basis.

■ The **Total Debt Servicing Ratio does not apply** when you:

- Take up property loan support measures.
- Refinance owner-occupied, or investment property loans up to 30 September 2021.
- Take up new mortgage equity withdrawal loans if the LTV ratio does not exceed 50%.
- Take up unsecured credit facilities such as credit cards and personal loans.

Personal Unsecured Credit

If you have outstanding balances that have not been converted under the SFRP (Unsecured):

- You may apply to convert your outstanding balances on credit cards or revolving credit lines to a lower interest term loan.
- Effective interest rate capped at 8% and tenure of up to five years.
- This is an existing relief measure and the application period is extended until 30 September 2021.

If you have an outstanding SFRP (Unsecured) term loan and face repayment difficulty on these loans:

- Do reach out to your lender early to discuss restructuring options.

Debt Consolidation Plan (DCP)

If you have not taken up DCP relief:

- You may apply to extend your loan tenure for up to 5 years.
- This is an existing relief measure and the application period is extended until 30 September 2021.

If you are already on DCP relief and face repayment difficulty:

- Do reach out to your lender early to discuss restructuring options.

Defer Premium Payments (DPP) for Life and Health Insurance

- Policyholders currently on DPP will continue to be on the DPP scheme until their applicable end date. Policyholders who remain unable to pay the deferred premiums in full at the end of the deferment period should approach their insurers to find out about available payment options.

Flexible Instalment Plans for General Insurance

- Policyholders have up to 31 December 2021 to apply to pay general insurance premiums (e.g. for insurance coverage of home and vehicles) in instalments.

! You should keep in mind that reduced instalment repayment plans and loan tenure extensions will result in higher total interest costs over the course of the loan. You should only reduce instalment repayment or extend loan tenure if you need to.

! Due to safe distancing measures in place, you should contact your lender over the phone or the internet instead of visiting their branches or offices.

Extended Credit Support Measures for SMEs

Partially Defer Payment of Principal for SMEs in Tier 1 and 2 Sectors

- From 24 June 2021 onwards, SMEs in Tier 1 and 2 Sectors* may apply# to your lender to defer 80% of principal repayment of your SME's secured loans and loans under Enterprise Singapore^ till 30 September 2021.

Assistance with Insurance Premium Payment

- Policyholders have up to 31 December 2021 to apply to pay general insurance premiums (e.g. for insurance coverage of property, trade credit, vehicles) in instalments.

Restructure Loans Under Customised Schemes

- SMEs who find that the Extended Support Scheme – Standardised is not suitable for their cashflow needs should first engage their respective bank or finance company to explore bilateral restructuring solutions.
- If SMEs need their lenders to work together, they may apply for the Extended Support Scheme – Customised (ESS-C), which facilitates multi-lender restructuring and is available for any multi-banked SME for whom Credit Counselling Singapore's scheme for sole proprietors and partnerships (SPP Scheme) and Ministry of Law's Simplified Insolvency Programme for qualified micro and small companies are not suitable.
- The application period for the ESS-C is extended until 31 December 2021. Interested SMEs may approach any one of their lenders† to assess whether they would benefit from ESS-C.

* The tiering of sectors is aligned with the Jobs Support Scheme (JSS) administered by IRAS. Borrowers that are not receiving wage support through JSS will be matched by their lenders to a suitable Tier according to the sectors in which they operate.

Eligible for borrowers who do not have any overdue payments on loan(s) under moratorium, and are not more than 30 days past due on all other loan repayments as at implementation date of the relief for the borrower.

^ Loans granted under Enterprise Singapore's Enhanced Working Capital Loan Scheme and Temporary Bridging Loan Programme.

† Refer to the Association of Banks in Singapore's website for the current list of participating banks and finance companies.

! You should keep in mind that any deferment of principal repayment will result in higher total interest costs over the course of the loan. You should only defer principal repayment if you need to.
