[MAS Notice 1109 (Amendment) 2015]

(2A) Where a merchant bank relies, under sub-paragraph (2), on information from one or more credit bureaus as evidence that an individual's cumulative total outstanding unsecured amount has exceeded the specified income for 3 consecutive months, the merchant bank need only comply with sub-paragraph (1)(a) within a reasonable time after obtaining that information from the credit bureau or bureaus (as the case may be).

unless the amount of the unsecured non-card credit facility or amounts (save for any fees, interest and charges (including late payment charges) which may be imposed by the merchant bank in connection with the unsecured non-card credit facility or amounts) would result in an increase in the Singapore borrower's cumulative total outstanding unsecured amount.

Part I - Disclosure for revolving unsecured non-card credit facilities for which monthly minimum payments are required, pursuant to paragraph 18(3)(a)

<b><i>Outstanding balance</i></b>	<i>[current month's statement's outstanding balance]</i>	<b><i>Payment Due Date</i></b>	<i>[current month's statement's payment due date]</i>
<b>Pay your bills in full to avoid further interest and finance charges.</b>			
<b>WARNING:</b> If you do not pay the outstanding balance in full, you will be subject to [the effective interest rate that the merchant bank generally imposes on similar types of revolving unsecured non-card credit facilities]% interest on [the balances and transactions that attract such an effective interest rate e.g. the outstanding balance and all new amounts drawn down].			
For example, if you pay only [the amount, in dollars and cents, equivalent to the current month's statement's minimum payment] each month,			
you will pay off fully what you currently owe only after [the length of time referred to in paragraph 18(3)(a)(i)]	the total you will need to pay, even without drawing down new amounts, is about [the total amount referred to in paragraph 18(3)(a)(ii)]		

Part II - Disclosure for revolving unsecured non-card credit facilities for which monthly payments are required, pursuant to paragraph 18(3)(b)
