By end March, the 'age' of his interest bearing balance would be 54 days (no. of days between 6 Feb (inclusive) and 31 March (inclusive)).

Only the extended and drawn down amount shall be reported.</p> <p>[MAS Notice 760 (Amendment) 2021]</p> <p>This shall not include any restructured loan. <sup>3</sup> For example, a borrower having a credit facility with an interest-bearing age of 12 days and another facility with an interest-bearing age of 80 days shall be recorded in the "60 – 89 days" row.

<sup>4</sup> For example, where an unsecured non-card credit facility that had been 30 days past due had been restructured, and the unsecured non-card credit facility was subsequently defaulted again 90 days later, such an unsecured non-card credit facility will be considered to be in arrears for 90+30 =120 days, and therefore placed in the "90-179 days" row.

[MAS Notice 760 (Amendment) 2021]
