*Explanatory Notes*

1. Please read the explanatory notes and questions carefully before completing the application form.
2. All questions must be answered. If a question is not applicable, please mark “N.A.” in the space provided. If there is insufficient space for your answers, please attach annex(es) which should be identified as such and signed by the signatories to this application.
3. Where there is an asterisk (\*), please delete whichever is inapplicable.
4. Please tick (✓) in the relevant boxes where appropriate.
5. Any reference to the “Act” in this form and in the Securities and Futures (Trade Repositories) Regulations 2013 is to be construed to include a reference to any subsidiary legislation made under the Securities and Futures Act (Cap. 289).
6. In this form, the term “trade repository” means a facility to collect and maintain information on any transactions relating to securities, futures or derivatives contracts, or any other transactions or class of transactions that the Authority may prescribe by regulations made under section 341 of the Securities and Futures Act (Cap. 289).
7. All policies and procedures which are provided by the applicant for the purpose of answering the following questions in this application should state (i) the person(s) responsible for approval and maintenance of the respective policies and procedures; (ii) how the applicant would ensure and monitor compliance with the statutory obligations imposed on the licensed trade repository or licensed foreign trade repository; and (iii) the measures which will be adopted by the applicant in the event of a breach of the

statutory obligations imposed on the licensed trade repository or licensed foreign trade repository.

8. If there are any changes to the submitted information prior to grant of licence by the Monetary Authority of Singapore (the “Authority”), the Authority should be notified immediately.
9. This application is to be signed by 2 directors or a director and a secretary of the applicant, and must be accompanied by the relevant documents and information requested in the various parts of this application.
10. The Authority may, at any time, request for further information to supplement our review of your application. If you are unresponsive, or unable to provide a satisfactory response within 6 weeks, we reserve the right to return the application, and not to proceed further with the application.
11. This application must be accompanied by the following:
  - (i) certified true copies of the applicant’s articles and memorandum of association, certificate of incorporation and constitution with all subsequent amendments;
  - (ii) certified true copies of the applicant’s business rules; and
  - (iii) a **non-refundable** application fee. Please contact the Authority for more information on how to make payment, and to have a review officer assigned to your application.
12. Please submit the application form and any supporting documents to the MAS review officer that you have been in contact with on your application. An application will only be considered complete when the application form, supporting documents, and application fee have been received. The Authority reserves the right to reject an incomplete application at any point.

  - (b) the name(s) of such jurisdiction(s);

- (c) the name(s) of any supervisory authority, including any self-regulatory organisation, that exercises oversight over the applicant or its related corporations in these jurisdictions;
  - (d) evidence of the applicant's authorisation to operate a trade repository, market or clearing facility in these jurisdictions, including a copy of any conditions imposed on such other trade repository, market or clearing facility in these jurisdiction(s); and
  - (e) documentation that would allow the Authority to consider if the requirements and supervision that the applicant is subject to are sufficiently equivalent to the requirements and supervision to which an application would be subject to under the Securities and Futures Act (Cap. 289), e.g. a summary of the laws, legislation, regulations and rules applicable to the applicant in these other jurisdiction(s).
6. If applicable, provide the name of any person (other than the applicant) that will be involved in managing or operating material aspects of the applicant's operations on behalf of the applicant. Provide a description of the role and responsibilities of each person to whom the applicant has delegated or outsourced its operations.
  7. Give an outline of the applicant's plans with regard to the operation and expansion of its business in Singapore and abroad (if applicable) over the next 3 to 5 years. The outline should include financial projections on the resources available to maintain the trade repository.
  8. If applicable, provide description(s) of the applicant's business(es), other than the operation of the proposed trade repository.
  9. If applicable, provide the name(s) and description(s) of any related corporation to the applicant that is operating in Singapore as a bank, merchant bank, finance company, insurer, trust company, licensed trade repository, licensed foreign trade repository, approved exchange, recognised market operator, approved clearing house, recognised clearing house, approved holding company, holder of a capital markets services licence, or holder of a financial adviser's licence.
  10. Attach certified true copies of the most recent auditor's report, audited balance-sheet, and audited profit and loss account, by whatever name called.

- (a) Where historical financial information is unavailable, provide pro-forma statement demonstrating proper resources and expected business status in six months after application is granted.
  - (b) Where financial statements are not yet available for the requested period of time, provide an interim financial report.
- 11. Attach a report by the directors of the applicant stating whether, from the date of the most recent auditor's report, audited balance sheet and audited profit and loss account (mentioned in question 10 above) to a date not earlier than 14 days before the date of the application:
  - (a) the business of the applicant has, in their opinion, been satisfactorily maintained;
  - (b) there has, in their opinion, arisen any circumstance adversely affecting the applicant's operation or the value of its assets;
  - (c) the current assets appear in the books at values which are believed to be realisable in the ordinary course of business;
  - (d) there are any contingent liabilities by reason of any guarantees given by the applicant or any of its subsidiaries, or by any other reason; and
  - (e) there are any changes in reserves or any unusual factors affecting the profit of the applicant and its subsidiaries.

12. Where applicable, provide information on the applicant’s compliance with the CPSS-IOSCO Principles for Financial Market Infrastructures (PFMI).

(a) Checklist for compliance with applicable PFMIs:

<b>Principle</b>	<b>Reference to answers provided or supplemental documents</b>
<p><i>Principle 1: Legal basis</i></p> <p><i>An FMI should have a well-founded, clear, transparent, and enforceable legal basis for each material aspect of its activities in all relevant jurisdictions.</i></p>	
<p><i>Principle 2: Governance</i></p> <p><i>An FMI should have governance arrangements that are clear and transparent, promote the safety and efficiency of the FMI, and support the stability of the broader financial system, other relevant public interest considerations, and the objectives of relevant stakeholders.</i></p>	
<p><i>Principle 3: Framework for the comprehensive management of risks</i></p> <p><i>An FMI should have a sound risk-management framework for comprehensively managing legal, credit, liquidity, operational, and other risks.</i></p>	
<p><i>Principle 15: General business risk</i></p> <p><i>An FMI should identify, monitor, and manage its general business risk and hold sufficient liquid net assets funded by equity to cover potential general business losses so that it can continue operations and services as a going concern if those losses</i></p>	

<p><i>materialise. Further, liquid net assets should at all times be sufficient to ensure a recovery or orderly wind-down of critical operations and services.</i></p>	
<p><i>Principle 17: Operational risk</i></p> <p><i>An FMI should identify the plausible sources of operational risk, both internal and external, and mitigate their impact through the use of appropriate systems, policies, procedures, and controls. Systems should be designed to ensure a high degree of security and operational reliability and should have adequate, scalable capacity. Business continuity management should aim for timely recovery of operations and fulfilment of the FMI's obligations, including in the event of a wide-scale or major disruption.</i></p>	
<p><i>Principle 18: Access and participation requirements</i></p> <p><i>An FMI should have objective, risk-based, and publicly disclosed criteria for participation, which permit fair and open access.</i></p>	
<p><i>Principle 19: Tiered participation arrangements</i></p> <p><i>An FMI should identify, monitor, and manage the material risks to the FMI arising from tiered participation arrangements.</i></p>	
<p><i>Principle 20: FMI links</i></p> <p><i>An FMI that establishes a link with one or more FMIs should identify, monitor, and manage link-related risks.</i></p>	

<p><i>Principle 21: Efficiency and effectiveness</i></p> <p><i>An FMI should be efficient and effective in meeting the requirements of its participants and the markets it serves.</i></p>	
<p><i>Principle 22: Communication procedures and standards</i></p> <p><i>An FMI should use, or at a minimum accommodate, relevant internationally accepted communication procedures and standards in order to facilitate efficient payment, clearing, settlement, and recording.</i></p>	
<p><i>Principle 23: Disclosure of rules, key procedures, and market data</i></p> <p><i>An FMI should have clear and comprehensive rules and procedures and should provide sufficient information to enable participants to have an accurate understanding of the risks, fees, and other material costs they incur by participating in the FMI. All relevant rules and key procedures should be publicly disclosed.</i></p>	
<p><i>Principle 24: Disclosure of market data by trade repositories</i></p> <p><i>A TR should provide timely and accurate data to relevant authorities and the public in line with their respective needs.</i></p>	

13. For licensed trade repository applicants, please confirm that the following activities have been performed –
- (a) Perform Penetration Testing on online financial services<sup>1</sup>
  - (b) Remediate all critical and high findings identified from the Penetration Test conducted; and
  - (c) Conduct independent validation on the effectiveness of the remediation.

Please provide a copy of the Penetration Testing report. If the applicant is unable to perform these activities, please provide the reasons.

*Reasons for not performing the above activities.*
