

# TALENT AND LEADERS IN FINANCE PROGRAMME

## \$400 million

grant funding from 2021 - 2025

### EARLY CAREER

- **Aim:** Enhance job readiness and develop new talent pools
- **How?**
  - o Co-funding for courses to attain foundational skillsets required for entry level roles
  - o Co-funding for internships, apprenticeships, and job rotation schemes
  - o Career advisory and job matching services
  - o Collaborate with Institutes of Higher Learning to update curriculum for in-demand skills needs

### MID-CAREER

- **Aim:** Deepen competencies, nurture specialist talent in technology and sustainability, and reskill professionals to enable them to take on new or expanded job roles
- **How?**
  - o Co-funding for courses to deepen competencies
  - o Co-funding for overseas postings
  - o Co-funding for career conversion programmes
  - o Career advisory and job matching services

### LEADERS

- **Aim:** Develop and nurture senior professionals for leadership positions in finance
- **How?**
  - o Co-funding for leadership programmes and overseas postings
  - o Networking and mentorship platforms
