

Annex B – About SFF FinTech Excellence Awards

The SFF FinTech Excellence Awards recognises innovative FinTech solutions that have been implemented by FinTech companies, financial institutions and technology companies, as well as individuals whose initiatives have contributed significantly to the FinTech ecosystem.

The FinTech solutions submitted for the Corporates categories will be judged based on five criteria: (i) impact; (ii) sustainability; (iii) practicality; (iv) interoperability; and (v) uniqueness and creativity. The nominations for the FinTech Mentor Award category will be judged separately based on the quality of the submissions covering their leadership and work within the Singapore FinTech ecosystem.
