FINANCIAL STATEMENTS

- 3 Statement by Directors
- 4 Auditor's Report
- 8 Statements of Comprehensive Income
- 9 Balance Sheets
- 10 Statement of Changes in Equity - The Group
- 11 Statement of Changes in Equity - The Authority
- 12 Consolidated Cash Flow Statement
- 13 Notes to the Financial Statements

STATEMENT BY DIRECTORS

For The Financial Year Ended 31 March 2026

In the opinion of the directors,

- (a) the accompanying financial statements of the Monetary Authority of Singapore (the Authority) and that of the Group (comprising MAS and its subsidiaries), set out on pages 8 to 33 are drawn up so as to present fairly the state of affairs of the Group and the Authority as at 31 March 2026, the results and changes in equity of the Group and the Authority for the financial year ended on that date, and of the cash flows of the Group for the financial year then ended; and
- (b) at the date of this statement, there are reasonable grounds to believe that the Group and the Authority will be able to pay its debts as and when they fall due.

On behalf of the Board of Directors,

GAN KIM YONG

Chairman

CHIA DER JIUN

Managing Director

24 June 2026

INDEPENDENT AUDITOR'S REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS OF THE MONETARY AUTHORITY OF SINGAPORE

For The Financial Year Ended 31 March 2026

Opinion

The financial statements of the Monetary Authority of Singapore (the Authority) and that of the Group (comprising MAS and its subsidiaries), set out on pages 8 to 33, have been audited under my direction. These financial statements comprise the consolidated balance sheet of the Group and the balance sheet of the Authority as at 31 March 2026, and the consolidated statement of comprehensive income, consolidated statement of changes in equity and consolidated cash flow statement of the Group and the statement of comprehensive income and statement of changes in equity of the Authority for the financial year then ended, and notes to the financial statements, including material accounting policies.

Section 168(3) of the Monetary Authority of Singapore Act 1970 (the Act) provides that the Authority, in preparing its financial statements, may comply with accounting standards to the extent that it is, in the opinion of the Authority, appropriate to do so, having regard to its objects and functions. As disclosed in Note 3.1(a) to the financial statements, the Authority has considered its responsibilities for managing the Singapore dollar exchange rate and the Official Foreign Reserves and is of the view that, for effective management of Singapore's monetary policy, it would be appropriate not to meet, in some respects, the Singapore Financial Reporting Standards (International) [SFRS(I)s]. The financial statements accordingly disclose less information than would be required under those Standards.

Having regard to the power given to the Authority under section 168(3) of the Act, in my opinion, based on the framework of accounting standards adopted by the Authority, the accompanying financial statements present fairly the state of affairs of the Group and the Authority as at 31 March 2026 and the financial transactions of the Group and the Authority for the financial year ended on that date.

Basis for Opinion

The audit was conducted in accordance with the provisions of the Act and having regard to Singapore Standards on Auditing (SSAs). The responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of this report. As the Auditor-General, I am independent of the Group and I exercise my duties and powers in accordance with the Constitution of the Republic of Singapore and the Audit Act 1966. Ethical requirements that are relevant to the audit and in line with the Accounting and Corporate Regulatory Authority Code of Professional Conduct and Ethics for Public Accountants and Accounting Entities (ACRA Code) have been fulfilled. I believe that the audit evidence obtained is sufficient and appropriate to provide a basis for my opinion.

INDEPENDENT AUDITOR'S REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS OF THE MONETARY AUTHORITY OF SINGAPORE

For The Financial Year Ended 31 March 2026

Other Information

The management is responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the financial statements and my auditor's report thereon.

My opinion on the financial statements does not cover the other information and I do not express any form of assurance conclusion thereon.

In connection with the audit of the financial statements, the auditor's responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or the knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work performed, there is a material misstatement of this other information, that fact will be reported. I have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The management is responsible for the preparation and fair presentation of the financial statements in accordance with the provisions of the Act and applicable SFRS(I)s as explained in Note 3.1(a) to the financial statements, and for such internal controls as management determines are necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Authority is constituted based on the Act and its dissolution requires Parliament's approval. In preparing the financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless there is intention to wind up the Group or for the Group to cease operations.

Those charged with governance are responsible for overseeing the Group's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the provisions of the Act and having regard to SSAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

INDEPENDENT AUDITOR'S REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS OF THE MONETARY AUTHORITY OF SINGAPORE

For The Financial Year Ended 31 March 2026

As part of an audit in accordance with the provisions of the Act and having regard to SSAs, professional judgement is exercised and professional scepticism is maintained throughout the audit. An audit also includes:

- Identifying and assessing the risks of material misstatement of the financial statements, whether due to fraud or error, designing and performing audit procedures responsive to those risks, and obtaining audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtaining an understanding of internal controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal controls.
- Evaluating, within the context of applicable laws, the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Concluding on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If I conclude that a material uncertainty exists, I will draw attention in my auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, modify my opinion. My conclusion is based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluating, within the context of applicable laws, the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Planning and performing the group audit to obtain sufficient appropriate audit evidence regarding the financial information of the entities or business units within the Group as a basis for forming an opinion on the group financial statements. I am responsible for the direction, supervision and review of the audit work performed for purposes of the group audit. I remain solely responsible for the audit opinion.

INDEPENDENT AUDITOR'S REPORT ON THE AUDIT OF THE FINANCIAL STATEMENTS OF THE MONETARY AUTHORITY OF SINGAPORE

For The Financial Year Ended 31 March 2026

Among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal controls identified during the audit are communicated to those charged with governance.

NG WAI CHOONG
AUDITOR-GENERAL
SINGAPORE

24 June 2026

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

These notes form an integral part of and should be read in conjunction with the accompanying financial statements.

1 GENERAL

- 1.1 The Monetary Authority of Singapore (the “Authority”) is a statutory board established in Singapore under the Monetary Authority of Singapore Act 1970 (the “MAS Act”) on 1 January 1971 and is located at 10 Shenton Way, MAS Building, Singapore 079117.
- 1.2 The financial statements presented relate to those of the Authority and its subsidiaries (together referred to as the “Group”) and the Authority.
- 1.3 The Authority, subject to the directions of the Minister, controls and administers the Financial Sector Development Fund (the “Fund”), a fund established under Section 127 of the MAS Act for the objects and purposes set out in Section 128 of the MAS Act. The audited financial statements of the Fund, prepared in accordance with the provisions of the MAS Act and Singapore Financial Reporting Standards (International) [“SFRS(I)s”], are available on the Authority’s website at <https://www.mas.gov.sg>.

2 PRINCIPAL ACTIVITIES

- 2.1 The principal activities of the Authority are:
 - a) the conduct of monetary policy, issuance of currency, management of the official foreign reserves and acting as the banker to and financial agent of the Government; and
 - b) the supervision of the banking, insurance, securities and futures industries, and development of strategies in partnership with the private sector to promote Singapore as an international financial centre.
- 2.2 The principal activities of the subsidiaries are disclosed in Note 16 to the financial statements.

3 MATERIAL ACCOUNTING POLICIES

- 3.1 Compliance with the MAS Act and SFRS(I)s
 - a) The financial statements are prepared in accordance with the MAS Act and applicable SFRS(I)s. Section 168(3) of the MAS Act provides that the Authority, in preparing its financial statements, may comply with accounting standards to the extent that it is, in the opinion of the Authority, appropriate to do so, having regard to the objects and functions of the Authority. The Authority,

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

having considered its responsibilities for managing the Singapore dollar exchange rate and the official foreign reserves, is of the opinion that, for effective management of Singapore's monetary policy, it is appropriate not to meet, in some respects, the SFRS(I)s. The financial statements accordingly disclose less information than would be required under those standards.

- b) New or revised accounting standards and interpretations of existing standards effective in the current financial year do not have a material impact on the Group's financial statements.
- c) The preparation of financial statements in conformity with SFRS(I)s requires management to exercise its judgement in the process of applying the accounting policies, having regard to the objects and functions of the Authority. It also requires the use of accounting estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of income and expenditure during the financial year. Although these estimates are based on management's best knowledge of current events and actions, actual results may ultimately differ from these estimates.

3.2 Basis of Accounting

The financial statements have been prepared under the historical cost convention and on an accrual basis, except as otherwise disclosed.

3.3 Basis of Consolidation

- a) Subsidiaries are entities (including structured entities) over which the Group has control. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.
- b) A subsidiary is consolidated from the date control is established, acquired or transferred to the Group to the date control ceases. The cost of an acquisition is measured as the fair value of the assets given, equity instruments issued or liabilities incurred or assumed at the date of exchange.
- c) Balances and transactions between the Authority and its subsidiaries, together with any unrealised profits and losses arising from these transactions are eliminated, in preparing the financial statements. Where necessary, adjustments are made to the financial statements of subsidiaries in preparing the Group's financial statements, to ensure conformity with the accounting policies adopted in the financial statements.

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

3.4 Foreign Currency Translation

- a) The financial statements are presented in Singapore dollars, the Authority's functional currency, and rounded to the nearest million, unless otherwise stated.
- b) Transactions in foreign currency are measured at the exchange rate prevailing at the date of transaction. Foreign currency gains or losses resulting from the settlement of such transactions are recognised in profit or loss.
- c) Assets and liabilities denominated in foreign currencies are translated into Singapore dollars, at the exchange rate prevailing on the balance sheet date. Exchange differences arising from the translation are recognised in profit or loss. Shareholdings in the Bank for International Settlements ("BIS") and the Society for Worldwide Interbank Financial Telecommunication ("SWIFT") are instead translated at the exchange rates prevailing on their acquisition dates.
- d) For the purpose of preparing consolidated financial statements, the assets and liabilities of the Group's subsidiaries whose functional currencies are not Singapore dollars are translated into Singapore dollars at the exchange rate prevailing on the balance sheet date. Income and expense items are translated at the average exchange rate for the year. The resulting exchange differences are recognised in other comprehensive income and accumulated separately in Capital and Reserves under Cumulative Exchange Differences on Consolidation. On disposal of a subsidiary, the cumulative exchange differences in respect of that subsidiary attributable to the Group are reclassified to profit or loss.

3.5 Recognition and Derecognition

Purchases and sales of investments are recognised on the trade date when the Group commits to purchase or sell the asset. Investments are derecognised when the rights to receive cash flows from the financial assets have expired or have been transferred and the Group has transferred substantially all risks and rewards of ownership.

3.6 Income Recognition

- a) Dividend income is recognised when the right to receive payment is established.
- b) Interest income is recognised using the effective interest method.
- c) Profits/losses on disposal of investments are recognised in profit or loss.
- d) Licence fee income is recognised over the period of the licence.
- e) Government grant is recognised in profit or loss over the periods in which the conditions attached to the grant are fulfilled.

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

3.7 Singapore Dollar Securities

Singapore Government Treasury bills and bonds, corporate bonds, and corporate bond exchange-traded fund held are stated at cost. Provision has been made for diminution in value, if any, based on the lower of cost and market value on an individual investment basis.

3.8 Reserves Management Government Securities

Reserves Management Government Securities are stated at cost. Provision has been made for diminution in value, if any, based on the lower of cost and market value on an individual investment basis.

3.9 Gold

Gold is a long-term investment stated at cost. Provision for diminution in value would be made in the event of a decline other than temporary in its value.

3.10 Foreign Financial Assets and Liabilities

Foreign financial assets and liabilities mainly represent the Group's investments in a global diversified portfolio and are stated at cost. Provision has been made for diminution in value, if any, based on the lower of cost and market value on an individual investment basis.

3.11 Financial Derivatives

Financial derivatives include forwards, swaps, futures and options and are included in foreign financial assets and foreign financial liabilities. Other than financial instruments that are subject to margin requirements or central clearing which are fair valued, provision has been made for diminution in value, if any, of other financial derivatives based on the lower of cost and market value on an individual investment basis.

3.12 Repurchase and Reverse Repurchase Agreements ("Repos" and "Reverse Repos")

Repos are treated as collateralised lending and the amounts lent are included in "Other Assets". Reverse repos are treated as collateralised borrowings and the amounts borrowed are included in "Provisions and Other Liabilities". The securities sold under reverse repos are treated as pledged assets and remain on the balance sheet. The difference between the amount received and the amount paid under repos and reverse repos is recognised as interest income and interest expense respectively.

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

3.13 Property, Other Fixed Assets and Depreciation

Owned Property and Other Fixed Assets

- a) Property and other fixed assets are stated at cost less accumulated depreciation and impairment losses, if any. The cost includes expenditure that is directly attributable to the acquisition of the items. Depreciation is calculated on a straight-line basis to write off the cost less residual value of the fixed assets over their estimated useful lives as follows:

	<u>Useful lives</u>
Buildings	50 years or period of lease whichever is lower
Building Improvements	10 years
Computer Hardware and Software	3 to 5 years
Furniture, Fixtures, Motor Vehicles and Other Equipment	3 to 5 years

The residual values and useful lives are reviewed and adjusted as appropriate, at each balance sheet date.

- b) Computer software costing \$100,000 or more and other fixed assets costing \$10,000 or more are capitalised in the year of purchase.
- c) Property and other fixed assets are reviewed for impairment whenever there is any indication that these assets may be impaired. If such indication exists, the recoverable amount of the asset is estimated to determine the amount of impairment loss. The impairment loss is recognised in profit or loss.

Reversal of impairment losses recognised in prior years is recorded when there is an indication that the impairment losses recognised for the asset no longer exist or have decreased. The reversal, if any, is recognised in profit or loss. However, the increased carrying amount of an asset due to a reversal of an impairment is recognised to the extent that it does not exceed the carrying amount that would have been determined (net of depreciation or amortisation) had no impairment losses been recognised for the asset in prior years.

On disposal of fixed assets, the difference between the net disposal proceeds and its carrying amount is recognised in profit or loss.

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

Leased Property and Other Fixed Assets

- d) The Group recognises a right-of-use asset and a lease liability at the lease commencement date. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or before the commencement date. The right-of-use asset is subsequently depreciated using the straight-line method from the commencement date to the end of the lease term. The lease liability is measured at the present value of the unpaid lease payments discounted using the Group's incremental borrowing rate. The Group leases land for its business operations, which is paid in full upfront. In addition, the Group leases office premises which is disclosed as right-of-use assets in Note 15.
- e) Payments associated with leases of low-value assets, including IT equipment, are recognised as an expense in profit or loss on a straight-line basis over the lease term.

3.14 Operating Leases

Receipts from operating leases are recognised as rental income in profit or loss on a straight-line basis over the lease term.

3.15 Employee Benefits

a) Defined contribution plans

Defined contribution plans are post-employment benefit plans under which the Authority pays fixed contributions into entities such as the Central Provident Fund, and will have no legal or constructive obligation to pay further contributions. The Authority's contributions to defined contribution plans are recognised in the financial year to which they relate.

b) Employee leave entitlement

Employee entitlements to annual leave are recognised when they accrue to employees. A provision is made for annual leave as a result of services rendered by employees up to the balance sheet date.

4 **INCOME/(LOSS) FROM FOREIGN OPERATIONS**

Income/(loss) from foreign operations includes interest, dividends, profit/loss on disposal of investments, foreign exchange gain/loss and write-back of/additional provision for diminution in value of investments.

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

5 INCOME/(LOSS) FROM DOMESTIC AND OTHER OPERATIONS

Income/(loss) from domestic and other operations includes interest from Singapore Dollar Securities and Reserves Management Government Securities, write-back of/additional provision for diminution in value of Singapore Dollar Securities and Reserves Management Government Securities, and other income/(loss) from Singapore dollar money market transactions, licence and inspection fees, revenue from currency-related operations, custody fee and revenue from services rendered to banks and financial institutions on MASNET and MAS Electronic Payment System which provides real-time gross settlement of payments.

6 NON-OPERATING INCOME

Non-operating income includes grant income, rental and carpark income, liquidated damages, income from write-back of prior period accrued expenditure and management service fees.

In May 2025, the Authority incorporated FAST-P Asia Private Limited to hold and deploy funds received from the Singapore Government under the Financing Asia's Transition Partnership. The Singapore Government committed funding of up to US\$500 million [\$645 million] (31 March 2025: US\$500 million [\$672 million]), of which US\$305 million [\$400 million] was disbursed to the Authority in May 2025. For the financial year ended 31 March 2026, the Authority recognised US\$21 million [\$27 million] as grant income, representing the portion of the grant for which the grant conditions have been fulfilled. The remaining portion of the grant received, amounting to US\$284 million [\$367 million], is presented as Government grant received in advance under Provisions and Other Liabilities (Note 19).

7 INVESTMENT, INTEREST AND OTHER EXPENSES

Investment and interest expenses include management fees, futures/options commissions, bank, custody and other charges arising from foreign operations, and interest paid on borrowings and reverse repurchase agreements arising from domestic and other operations. Other expenses include costs of printing of currency notes and coin operations.

8 PERSONNEL EXPENDITURE

8.1 This includes the following:

For the year ended 31 March in \$ millions	The Group and the Authority	
	2026	2025
Salaries, Bonuses and Allowances	351	332
Employer's Contribution to the Central Provident Fund	32	31
Staff Benefits and Training	13	11

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

The Minister-in-charge of the Authority is not remunerated by the Authority. Directors' fees for the year totalled \$0.2 million (2025: \$0.1 million). All Ministers serving on the Authority's Board of Directors do not receive directors' fees.

8.2 The key management personnel compensation is as follows:

For the year ended 31 March in \$ millions	The Group and the Authority	
	2026	2025
Salaries and Other Short-term Employee Benefits	27	27
Other Long-term Employee Benefits	5	5

Post-employment benefits of \$0.9 million (2025: \$0.9 million) were also provided to key management personnel.

Executive Directors, Department Heads and above, are considered as key management personnel for this purpose.

9 GENERAL AND ADMINISTRATIVE EXPENDITURE

This includes the following:

For the year ended 31 March in \$ millions	The Group and the Authority	
	2026	2025
Information Technology	126	103
Information Resources	15	14

Leases of Low-value Assets	2	4
Audit Fee	1	1

10 CAPITAL AND RESERVES

10.1 The issued and paid-up capital is wholly-owned by the Government of the Republic of Singapore.

10.2 The General Reserve Fund is established under Section 6(1) of the MAS Act.

10.3 Cumulative Exchange Differences on Consolidation represents the accumulated exchange differences arising from the translation of the net assets of the Group's subsidiaries whose functional currencies are not Singapore dollars.

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

- 10.4 The Group manages its capital and reserves at an appropriate and adequate level, in pursuit of the Authority's principal objects, as set out in Section 4 of the MAS Act that is, to maintain price stability conducive to sustainable economic growth, foster a sound and reputable financial centre, grow Singapore as an internationally competitive financial centre and ensure prudent and effective management of the official foreign reserves of Singapore. As required by the Constitution of the Republic of Singapore, the Authority has to determine and safeguard the past reserves of the Authority which were not accumulated during the current term of office of the Government.
- 10.5 The Authority regularly conducts comprehensive assessments of risks as well as capital and reserves adequacy. This includes the measurement, monitoring, and stress testing of the financial risks that the Group is exposed to. The Authority does not expect the holding of certain Singapore-dollar denominated assets where (i) the counterparty is the Singapore Government or a foreign central bank, (ii) the exposures are fully collateralised, or (iii) the positions arose from transactions that are pending settlement on a delivery-versus-payment basis (e.g. Receivables from MAS Bills Allotted), to pose material financial risks.
- 10.6 The return of profit to the Singapore Government, from the General Reserve Fund and/or from the net profit for each financial year, is determined by the Authority and the remainder of the net profit, if any, is credited to the General Reserve Fund, in accordance with Section 6 of the MAS Act.

11 SINGAPORE DOLLAR SECURITIES

Singapore Dollar Securities comprise:

As at 31 March in \$ millions	The Group and the Authority	
	2026	2025
Singapore Government Bonds	15,969	16,279
Singapore Dollar Corporate Bond Exchange-Traded Fund	95	95
Singapore Dollar Corporate Bonds	75	75
	<u>16,139</u>	<u>16,449</u>

12 RESERVES MANAGEMENT GOVERNMENT SECURITIES

Reserves Management Government Securities is a non-marketable security that the Singapore Government issues to MAS to facilitate the transfer of official foreign reserves above what MAS requires, to the Singapore Government for longer-term management by GIC Pte Ltd.

13.2 Bank Balances and Placements with Financial Institutions

Placements with Financial Institutions comprise deposits and repurchase agreements with financial institutions, including foreign central banks.

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

For the year ended 31 March 2026, the Authority revised its classification of foreign financial assets, changing Bank Balances, Deposits and Loan Receivables to Bank Balances and Placements with Financial Institutions. This change was made to better align the presentation of foreign financial assets with their economic characteristics. Following this revision, comparative figures for the prior year have been restated. In particular, repurchase agreements amounting to \$8,223 million as at 31 March 2025, previously presented under Other Financial Assets, have been reclassified to Bank Balances and Placements with Financial Institutions.

Separately, commercial papers and certificates of deposit from reinvestment of cash collateral amounting to \$1,005 million as at 31 March 2025, previously presented under Bank Balances, Deposits and Loan Receivables, have been reclassified to Securities (including Treasury Bills, Bonds and Equities) to better reflect the nature of these instruments.

13.3 Securities (including Treasury Bills, Bonds and Equities)

This includes investments in regional funds denominated in foreign currency with a focus on Singapore public equities under the Equity Market Development Programme (the “Programme”). The Programme forms part of a set of measures introduced by the Equities Market Review Group in 2025 to strengthen Singapore’s equity market.

Under the Programme, the Authority and the Fund appoint asset managers with the capabilities to implement investment mandates aligned with the Programme’s objectives. As at 31 March 2026, the total outstanding amount to be placed with appointed asset managers was \$2,820 million (31 March 2025: nil).

13.4 International Monetary Fund (“IMF”) Assets

The Reserve Tranche represents the amount of the paid-up portion of the Singapore quota. Special Drawing Rights (“SDR”) are interest-yielding balances with IMF that can be exchanged for convertible currencies.

13.5 Bank for International Settlements (“BIS”)

The Authority’s shareholding in the BIS comprises the 25% paid-up value of 4,285 (31 March 2025: 4,285) shares with a nominal value of SDR5,000 [\$8,768] (31 March 2025: SDR5,000 [\$8,922]) each.

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

14 OTHER ASSETS

These comprise the following:

As at 31 March in \$ millions	The Group and the Authority	
	2026	2025
Loans, Deposits and Other Receivables	7,734	8,825
Repurchase Agreements with Singapore Government	4,254	3,273
Receivables from MAS Bills Allotted	37,294	-
	<u>49,282</u>	<u>12,098</u>

Loans, deposits and other receivables include collateralised Singapore Dollar loans provided by the Authority to eligible banks and finance companies under the MAS SGD Facility for ESG Loans, to support lending to companies under Enterprise Singapore's ("ESG") Temporary Bridging Loan Programme and Enterprise Financing Scheme – SME Working Capital Loan up to 30 September 2022. Loans were provided for a two-year tenor with the last application window in April 2023. All loans under the facility were fully repaid by end-April 2025, and there was no outstanding loan as at 31 March 2026 (31 March 2025: \$561 million). Receivables from MAS Bills Allotted relate to MAS Bills allotted but not settled as at the end of the financial year.

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

17 CURRENCY IN CIRCULATION

Section 22 of the Currency Act 1967 requires that the gross assets of the Authority must at all times be not less than 100% of the face value of the Authority's Currency in Circulation. The gross assets of the Authority and the value of the Currency in Circulation were \$875,880 million (31 March 2025: \$844,226 million) and \$71,830 million (31 March 2025: \$67,553 million) respectively as at 31 March 2026.

18 DEPOSITS OF FINANCIAL INSTITUTIONS

As at 31 March in \$ millions	The Group and the Authority	
	2026	2025
Banks	31,796	27,052
Finance Companies	478	460
Securities Companies	12	12
	32,286	27,524
International Financial Institutions	298	410
Foreign Central Banks and Others	1	8
	32,585	27,942

Deposits from banks and finance companies in Singapore include the minimum cash balances maintained by banks and finance companies with the Authority as required under the Banking Act 1970 and the Finance Companies Act 1967 respectively. Deposits from securities companies represent statutory deposits from holders of capital markets services licences required under the Securities and Futures (Licensing and Conduct of Business) Regulations.

19 MAS BILLS AND NOTES, PROVISIONS AND OTHER LIABILITIES

- 19.1 The Authority issues short-term bills and floating rate notes as part of money market operations to manage the liquidity in the banking system.

As at 31 March in \$ millions	The Group and the Authority	
	2026	2025
MAS Bills	390,164	336,817
MAS Floating Rate Notes	500	6,600
	390,664	343,417

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

- 19.2 Provisions have been made for contingencies under Section 6(2) of the MAS Act. Other liabilities include Government grant received in advance (as disclosed in Note 6), lease liabilities, borrowings from financial institutions, borrowings under reverse repurchase agreements, creditors, accruals and other payables.

20 AMOUNTS DUE TO SINGAPORE GOVERNMENT

- 20.1 The amounts due to the Singapore Government comprise the following:

As at 31 March in \$ millions	The Group and the Authority	
	2026	2025
Balances and Deposits of Singapore Government	73,068	83,909
Amounts due to Singapore Government, arising from Repurchase Agreements	4,254	3,273
Contribution to Consolidated Fund	1,001	-
Return of Profit to Singapore Government	2,466	-
	<u>80,789</u>	<u>87,182</u>

- 20.2 Contribution to the Consolidated Fund is in accordance with the Statutory Corporations (Contributions to Consolidated Fund) Act 1989. The contribution is based on 17% (2025: 17%) of the net profit of the Authority, after adjusting for exempt income and expenses and offsetting the cumulative loss, if any, from previous financial years. The contribution recognised in each financial year is paid subsequent to the financial year to the Government in equal proportions over a period of three years.

21 STATUTORY DEPOSITS OF INSURANCE COMPANIES, MAJOR PAYMENT INSTITUTIONS AND CAPITAL MARKETS SERVICES LICENSEES

Statutory bank deposits and guarantees of insurance companies, major payment institutions and capital markets services licensees, are retained by the Authority under the Insurance Act 1966, the Payment Services Act 2019 and the Securities and Futures Act 2001 respectively, and in the events specified, dealt with accordingly under the respective Acts.

22 COMMITMENTS

22.1 International Monetary Fund ("IMF")

- a) In December 2010, the IMF's Board of Governors passed a resolution that would double the Fund's total quotas and result in a major realignment of quota shares among members. In

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

February 2016, Singapore paid up 25% of its full quota increase. In December 2023, the IMF's Board of Governors passed a resolution to give effect to a 50% increase in quotas allocated to all members in proportion to their current quotas. The resolution also included a rollback in the IMF's New Arrangements to Borrow ("NAB") once the quota increase becomes effective, to reduce the IMF's reliance on borrowed resources. Singapore provided our consent for the changes to Singapore's contribution on 15 November 2024 and Singapore's quota increase amounting to SDR1.9 billion [\$3.3 billion] (31 March 2025: SDR1.9 billion [\$3.5 billion]) will only take effect when members holding at least 85 per cent of the IMF's quotas have consented to their own allocated increases. As at 31 March 2026, the quota increase has not taken effect and the unpaid portion of the Singapore quota due to IMF under Section 4 of Article III of the Articles of Agreement is \$4,784 million (31 March 2025: \$4,839 million).

- b) On 15 November 2024, the Authority announced that Singapore would extend its bilateral loan commitment to the IMF to 31 December 2027 to maintain the IMF's lending capacity while pending members' consent to the quota increase. Under the agreement, the Authority's loan commitment is US\$1.7 billion [\$2.2 billion] (31 March 2025: US\$1.7 billion [\$2.3 billion]). As at 31 March 2026, there was no drawdown under the loan commitment to the IMF (31 March 2025: nil). The bilateral loan commitment will be phased out when the quota increase as described in Note 22.1(a) takes effect.
- c) As a participant in the NAB, the Authority undertakes to provide a credit line in the event of a financial emergency as specified by the NAB. Under the agreement, the credit line is SDR1,297 million [\$2,274 million] (31 March 2025: SDR1,297 million [\$2,315 million]). As at 31 March 2026, there was no loan granted by the Authority under the NAB (31 March 2025: nil). On 15 November 2024, the Authority announced that Singapore will reduce the credit line amount to a maximum of SDR1,086 million [\$1,904 million] (31 March 2025: SDR1,086 million [\$1,938 million]), once the quota increase as described in Note 22.1(a) takes effect.

22.2 Bank for International Settlements ("BIS")

The Authority has a commitment, amounting to SDR16.1 million [\$28.2 million] as at 31 March 2026 (31 March 2025: SDR16.1 million [\$28.7 million]), in respect of the uncalled portion of its shareholding in the BIS.

22.3 Repurchase Agreements with Foreign Central Banks and Monetary Authorities

The Authority entered into bilateral repurchase agreements totalling US\$7,500 million [\$9,676 million] (31 March 2025: US\$7,500 million [\$10,081 million]) with various Asian central banks and a monetary authority to provide liquidity assistance in times of emergency. As at 31 March 2026, there was no outstanding transaction with any central bank or monetary authority under these bilateral repurchase agreements (31 March 2025: nil).

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

22.4 Currency Swap Arrangements with Foreign Central Banks and Monetary Authorities

- a) The Authority signed a bilateral currency swap arrangement with the People's Bank of China ("PBC") for a term of three years with effect from 10 May 2019. The agreement has since been renewed and the current agreement will be in effect up to 12 July 2027. Under the agreement, the Authority can swap Singapore dollars for Chinese Yuan up to CNY300 billion [\$56 billion] (31 March 2025: CNY300 billion [\$56 billion]), while the PBC can swap Chinese Yuan for Singapore dollars up to \$65 billion (31 March 2025: \$65 billion). The Authority and PBC can access the foreign currency liquidity to support trade and investment financing needs, including projects under the Belt and Road Initiative, and to stabilise financial markets.
- b) The Authority signed a bilateral local currency swap agreement with the Bank of Japan for a term of three years with effect from 30 November 2016. The agreement has since been renewed and the current agreement will be in effect up to 29 November 2028. Under the agreement, the Authority can swap Singapore dollars for Japanese Yen up to JPY1.1 trillion [\$8.9 billion] (31 March 2025: JPY1.1 trillion [\$9.9 billion]), while Bank of Japan can swap Japanese Yen for Singapore dollars up to \$15.0 billion (31 March 2025: \$15.0 billion).
- c) The Authority and the Bank of Japan, acting as the agent for the Minister of Finance of Japan, signed the third Bilateral Swap Arrangement for a term of three years with effect from 21 May 2015. The agreement has since been renewed and the current agreement will be in effect up to 20 May 2027. Under the agreement, the Authority can swap Singapore dollars for US dollars up to US\$3,000 million [\$3,870 million] (31 March 2025: US\$3,000 million [\$4,032 million]), or its equivalent in Japanese Yen, while the Bank of Japan can swap Japanese Yen for US dollars up to US\$1,000 million [\$1,290 million] (31 March 2025: US\$1,000 million [\$1,344 million]).
- d) The Authority is Singapore's Swap Providing / Requesting Party in the Chiang Mai Initiative Multilateralisation ("CMIM") Agreement involving the ASEAN member states, China (including the Hong Kong Monetary Authority, China), Japan and Korea. The CMIM Agreement, effective from 24 March 2010, provides financial support through currency swap transactions, to address balance of payments and short-term liquidity difficulties in the region, and supplements existing international financial arrangements. In May 2012, the CMIM members agreed to strengthen the regional financial safety net and double the total size of the currency swap transactions with members to US\$240 billion. In 2021, CMIM members agreed to institutionalise the use of local currencies of CMIM members, in addition to US dollars. The Authority's commitment is US\$9,104 million [\$11,746 million] (31 March 2025: US\$9,104 million [\$12,237 million]) and the Authority can swap Singapore dollars for US dollars, other local currencies of CMIM members or both, up to 2.5 times Singapore's commitment.
- e) The Authority signed a local currency bilateral swap agreement with Bank Indonesia for a term of one year with effect from 5 November 2018. The agreement has since been renewed and the current agreement will be in effect up to 1 November 2027. Under the agreement, the Authority can swap Singapore dollars for Indonesian Rupiah up to IDR100 trillion [\$7.6 billion] (31 March

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

2025: IDR100 trillion [\$8.1 billion]), while Bank Indonesia can swap Indonesian Rupiah for Singapore dollars up to \$9.5 billion (31 March 2025: \$9.5 billion).

- f) There was no outstanding transaction with any central bank or monetary authority under any of the currency swap arrangements in Note 22.4.

22.5 Liquidity Loan Facility

The Authority entered into an agreement with the Singapore Deposit Insurance Corporation Limited (“SDIC”) on 9 February 2012, and the agreement was updated on 17 May 2022. Under the agreement, the Authority may provide the SDIC a contingent liquidity facility of up to \$20 billion (31 March 2025: \$20 billion), in the event a Deposit Insurance Scheme member fails and liquidity is needed for compensation payments to insured depositors. As at 31 March 2026, there was no outstanding balance due from SDIC under this facility (31 March 2025: nil).

22.6 Capital Expenditure Commitments

Capital expenditure relating to fixed assets not provided for in the financial statements is as follows:

As at 31 March in \$ millions	2026	2025
Amount contracted for	97	89

23 FINANCIAL RISK MANAGEMENT

- 23.1 The Risk Committee, chaired by an independent Board Director, assists the Board of Directors in providing oversight and guidance over the management of risks assumed by the Group. This encompasses the management of financial risks inherent in the Group’s investment portfolios, amongst other organisational risks faced by the Group.

- 23.2 The Risk Management Department provides senior management and the Risk Committee with regular reports of the risk profiles of the Group’s investments. These reports cover risk measurement and analysis of the Group’s investment portfolios. The department also formulates risk policies and controls, and performs independent risk monitoring of the portfolios in accordance with the stipulated investment guidelines.

23.3 Market Risk

- a) Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices and includes currency, interest rate and other price risks.

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

- i) Currency risk is the risk of loss on foreign assets and liabilities arising from changes in foreign exchange rates.
 - ii) Interest rate risk is the risk of loss arising from changes in market interest rates.
 - iii) Other price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk), whether those changes are caused by factors specific to the individual financial instrument or its issuer, or factors affecting all similar financial instruments traded in the market.
- b) Market risk is managed through regular monitoring of the market risk exposure of the Group's investments, the diversification of the Group's investments across different markets, and the establishment of investment risk tolerance and controls at both the aggregate and individual portfolio levels.

23.4 Credit Risk

- a) Credit risk is the risk of loss arising from a party's failure to discharge an obligation under a financial contract and includes counterparty and issuer credit risk.
- b) The Group's credit risks are managed by transacting with entities of acceptable creditworthiness within assigned limits. Credit risks are also mitigated by diversifying credit exposures across counterparties and issuers and through collateral arrangements with counterparties whom the Authority has signed the International Swaps and Derivatives Association ("ISDA") Credit Support Annex.
- c) The Group manages issuer credit risk by imposing minimum credit rating requirements on the investment of fixed income securities. Single issuer limits are placed to control the credit exposure to any one issuer and to mitigate the extent of loss resulting from a default.

23.5 Country Risk

The Group's foreign assets are exposed to country credit risk arising from political, economic and financial events in the country of investment. Country limits are established to control the Group's credit risk exposure to individual countries.

23.6 Liquidity Risk

Liquidity risk is the risk arising from the inability to sell a financial asset at close to its fair value at short notice due to inadequate market depth or market disruptions. The Group manages liquidity risk by investing mostly in liquid financial instruments and markets, and imposing

MONETARY AUTHORITY OF SINGAPORE AND ITS SUBSIDIARIES

NOTES TO THE FINANCIAL STATEMENTS

For The Year Ended 31 March 2026

limits on investments to ensure sufficient diversification and through regular monitoring of the liquidity profile of the Group's investments.

24 TRANSACTIONS WITH THE FINANCIAL SECTOR DEVELOPMENT FUND

- 24.1 The Authority accepted deposits from the Fund, in the ordinary course of business and at arm's length, incurring interest expense disclosed below:

For the year ended 31 March
in \$ thousands

	2026	2025
Interest Expense	33,961	18,212

The Fund's deposit balance with the Authority as at 31 March 2026 was \$651.9 million (31 March 2025: \$2,220.7 million).

- 24.2 During the financial year ended 31 March 2026, the Authority received a grant of \$0.7 million from the Fund to conduct a consumer education campaign, to guide consumers on protecting themselves from investment scams.

25 SEGMENT REPORTING

Owing to their integrated nature, the Group's operations, including those of its subsidiaries, comprise one main operating segment only, i.e. the conduct of monetary policy, issuance of currency, management of the official foreign reserves and acting as the banker to and financial agent of the Government, for segment reporting purposes. In addition, the Group's operations are mainly in one geographical area, Singapore. All other segment information are below the quantitative thresholds for separate disclosure.

26 NEW OR REVISED ACCOUNTING STANDARDS AND INTERPRETATIONS

New or revised accounting standards and interpretations of existing standards effective for accounting periods beginning after 1 April 2025 do not have a material impact on the Group's financial statements.

27 AUTHORISATION OF FINANCIAL STATEMENTS

The financial statements for the year ended 31 March 2026 were authorised for issue by the Board of Directors and signed by Chairman and Managing Director on 24 June 2026.
