Description of Document:

This compliance toolkit provides guidance to financial advisers (FAs) on:

- Applications requiring approval from MAS;
- Notifications to be submitted to MAS; and
- Regulatory submissions to MAS (e.g. financial returns)

This toolkit includes the common applications, notifications or other submissions required to be made to MAS under the FAA, its subsidiary legislation and applicable Notices and Guidelines. It excludes approvals, notifications or other submissions which may be imposed by MAS bilaterally on FAs due to the FA's specific circumstances.

This toolkit is not exhaustive and excludes reporting obligations that fall outside the FAA. FAs should still familiarise themselves with all applicable regulatory requirements to ensure compliance with the relevant laws and regulations.

FAs are welcomed to provide suggestions on how this toolkit can be improved via webmaster@mas.gov.sg.

This toolkit is made up of four sections:

Section A: Applications, Notifications and Regulatory Submissions Applicable to Licensed Financial Advisers under Section 10 of the FAA
