

Indicative list of issuers whose securities may be eligible for Standing Facility for Category A2

This is a non-exhaustive indicative list of issuers whose S\$ debt securities (including sukuk) generally qualify as Category A2 collateral for the MAS Standing Facility. MAS will keep under review the list of issuers whose S\$ debt securities (including sukuk) qualify as Category A2 collateral in its operation of the MAS Standing Facility and has the discretion to make changes to the list at any time. MAS reserves the right not to accept any S\$ debt security issued by an issuer on this list, for any reason, at any time. For queries about the eligibility of specific securities, please contact the Monetary and Domestic Markets Management Department (Email: sgddiv@mas.gov.sg).
