

Green & Sustainability-Linked Loan Grant Scheme

To Support a Sustainable Singapore and Facilitate Asia's Transition to a Sustainable Future

Objectives

Encourage corporates to adopt sustainable business practices

Support corporates of all sizes and sectors to access green financing

Anchor deep green finance expertise in Singapore

GSLs defrays the expenses of engaging independent service providers to validate the green and sustainability credentials of:

Track A

Green & Sustainability-Linked Loans

Facilitating Corporates' Access to Green and Sustainability-Linked Loans

- ✓ Up to **S\$100,000** per loan over 3 years

Track B

Green & Sustainability-Linked Loan Frameworks

Encouraging Banks to Develop Green and Sustainability-Linked Loan Frameworks for SMEs and Individuals

- ✓ Green & Sustainability-Linked Loan Frameworks for SMEs & individuals: 90% co-funding, capped at **S\$180,000** over 3 years
- ✓ Other Green & Sustainability-Linked Loan Frameworks: 60% co-funding, capped at **S\$120,000** over 3 years

Key features

- Expand access to **SMEs & individuals**

Reduce barriers to entry

- Defrays **pre- and post-origination expenses**

- Requirement for **minimum environmental targets**, aligned with international standards

Encourage environmental outcomes

Ensure integrity of green and sustainability-linked loans & frameworks

- Requirement for both **pre- and post-external review**

Anchor deep green finance expertise

- Requirement for **green & sustainability work by banks and service providers** performed in SG to ensure knowledge transfer

Emerging Stronger And Building A More Resilient World
