

Global-Asia Insurance Partnership (GAIP)

Leading Global Centre of Excellence in Insurance and Risk Management, with a focus on Asia

To build long-term risk resilience in Asia to

Large-scale systemic risks (e.g. pandemic, climate and disaster risks, health and longevity risks)

New and emerging risks (e.g. cyber risks)

Three pillars to drive significant synergies

To be set up as a company limited by guarantee in Singapore

Living Lab

Incubate innovative market-wide risk financing solutions including insurance, risk pools and insurance-linked securities

Policy Think Tank

Engage and coordinate with regulators and policy-makers to generate objective, neutral and practical policy research

Talent Development

Develop new generation of insurance talents with skills in new and emerging areas (e.g. big data analytics, artificial intelligence)

Founding Partners

Chairman designate: Mr Yoshihiro Kawai, former Secretary General of the International Association of Insurance Supervisors

Partnership between the global insurance industry, regulators and policymakers, and academia
