

About Institute for Financial Literacy and Retirement Planning Workshops

The Institute for Financial Literacy (IFL) is a collaboration between MoneySense and Singapore Polytechnic International Pte Ltd. IFL provides free and unbiased financial education programmes to the public without promoting commercial financial products. IFL holds talks and workshops at workplaces and works with numerous social service agencies as part of their outreach.

2 These financial education programmes cover basic money management, financial planning and investment know-how.

3 The aim of these programmes is to develop Singaporeans' core financial capabilities. Available programmes include:

- Understanding Money
- Understanding Yourself, Your Rights and Responsibilities
- Managing Everyday Money
- Planning Ahead
- Selecting Financial Products suitable for You.

4 As part of the MoneySense Campaign 2022, members of public can register for free retirement planning workshops to be conducted at various locations islandwide.

Course outline:	<p>Learn how to prepare yourself for a comfortable retirement. Understand the basics of retirement planning and factors you need to consider when planning your retirement. Learn how to build your retirement fund through CPF and investing, and protect your healthcare needs through insurance. Know how you can plan ahead with CPF nominations and the Lasting Power of Attorney.</p> <p><u>Topics</u></p> <ul style="list-style-type: none">• What you should know about retirement• What can you do now to start saving for your retirement• Who is helping you to build up your retirement fund and what more can you do• How can you reduce disruptions to your retirement plan with insurance• Why you need to review and adjust your plans and how to leave a legacy
-----------------	--
