(3) For the avoidance of doubt, a finance company shall not be deemed to have contravened paragraph 8 or 9 through the grant of a renovation loan jointly to a Singapore borrower and the Singapore borrower's fiancé or fiancée pursuant to sub-paragraph (1)(f), solely by reason of the Singapore borrower's failure to provide his certificate of marriage to the finance company not more than 3 months after the first disbursement of the renovation loan, if all other applicable conditions in sub-paragraph (1)(f) are satisfied and the finance company has taken the steps specified in sub-paragraph (2).

(4) For the avoidance of doubt, where the aggregate of the amounts referred to in sub-paragraph (1)(h)(i) exceeds 80% of the amount to be paid by a Singapore borrower for the subscription of the shares, then the entire amount of the share financing loan for the subscription of those shares referred to in sub-paragraph (1)(h)(i)(A) shall be included in determining the total outstanding unsecured amount or cumulative total outstanding unsecured amount of the borrower.

- (3) For the purpose of sub-paragraph (2)(b), an individual shall be deemed to have consented to the credit limit or aggregate credit limit granted if he had agreed, in a document signed by him, to a credit limit or aggregate credit limit which was more than what was granted.
- (4) Subject to paragraph 14, a finance company shall not, on or after 1 June 2014, issue an unsecured non-card credit facility with a credit limit that is greater than the preferred credit limit or preferred aggregate credit limit, as the case may be, which the individual has indicated or consented to pursuant to sub-paragraph (2)(a) or (b), as the case may be.

- (4) Subject to paragraph 14, a finance company shall not, in granting under sub-paragraph (1) a borrower an increase in his aggregate credit limit, grant an increase that results in the aggregate credit limit of the borrower being greater than the preferred aggregate credit limit which the borrower has indicated or consented to pursuant to sub-paragraph (2)(a) or (b), as the case may be.

Credit checks with credit bureau

12(1) A finance company shall conduct comprehensive checks with one or more credit bureaus for the purpose of assessing the credit-worthiness of —

- (a) an individual, prior to issuing an unsecured non-card credit facility to that individual;
- (b) a borrower, prior to increasing the aggregate credit limit granted by the finance company to that borrower, unless comprehensive checks with one or more credit bureaus had already been conducted for the purpose of assessing the credit-worthiness of that borrower not more than one month prior to increasing the aggregate credit limit; and
- (c) a borrower, upon receiving any information from any person that calls into question the credit-worthiness of that borrower, unless checks with one or more credit bureaus had already been conducted for the purpose of assessing the credit-worthiness of that borrower not more than 3 months prior to the information being received.

(2) For the purposes of sub-paragraph (1), and paragraphs 16(4)(c) and 17(5)(b)(ii), a finance company shall, from and including 1 June 2014, in relation to a borrower, review all of the following in its comprehensive checks with one or more credit bureaus:

(4) For the purpose of sub-paragraph (1)(c), a finance company need not conduct comprehensive checks if the finance company has ceased to permit or will not permit any further amounts (other than the specified amounts) to be charged to any credit card or charge card issued, or to be drawn down on any unsecured non-card credit facility granted, to that borrower by the finance company until the amounts outstanding on all his credit cards and charge cards issued, and unsecured non-card credit facilities granted, by the finance company to that borrower are paid in full.

(5) For the purpose of sub-paragraph (4), the specified amounts are the following:

- (a) any fees, interest and charges (including late payment charges) relating to the use of any credit card or charge card issued, or any unsecured non-card credit facility granted, by the finance company;
- (b) any outstanding amounts transferred by the finance company from any credit card or charge card already issued, or any unsecured non-card credit facility already granted, by the finance company to the borrower, to another credit card or charge card the finance company has issued or will issue, or any unsecured non-card credit facility the finance company has granted or will grant, to the same borrower.

(6) For the purpose of sub-paragraph (1)(c), a finance company need not conduct the comprehensive checks if the person providing the information refuses to identify himself to the finance company, even after the finance company undertakes to the person that his identity will be kept confidential to any extent required by the person.

Checks on income or total net personal assets

13(1) Subject to paragraph 21, a finance company shall obtain —

- (a) prior to granting an unsecured non-card credit facility to an individual, documents to verify the annual income of the individual; and
- (b) prior to increasing the aggregate credit limit granted to an individual who has already been granted an unsecured non-card credit facility, the documents specified in Appendix 2, unless the increase in the aggregate credit limit of the individual is fully secured.

(2) Upon receiving any information from any person that calls into question the credit-worthiness of a borrower of an unsecured non-card credit facility, a finance company shall request the borrower to provide the documents specified in Appendix 2, unless —

- (a) the finance company has ceased to permit or will not permit any further amounts (save for the amounts referred to in paragraph 12(5)) to be charged to any credit card or charge card issued, or to be drawn down on any unsecured non-card credit facility granted, by the finance company to that borrower until the amounts outstanding on all the credit cards and charge cards issued, and unsecured non-card credit

facilities granted, by the finance company to that borrower are paid in full; or

if the finance company already has the document and the document is dated within the time specified in sub-paragraph (3).

[MAS Notice 827 (Amendment) 2015]

Maximum credit limit or overall credit limit

14(1) Subject to sub-paragraph (1A), (2), (4) and (4A), a finance company shall not permit any amount to be drawn down on any unsecured non-card credit facility granted to a Singapore borrower –

- (a) if that would result in the Singapore borrower's total outstanding unsecured amount exceeding his overall credit limit; or
- (b) if the Singapore borrower's total outstanding unsecured amount already exceeds his overall credit limit.

[MAS Notice 827 (Amendment) 2015]

(1A) A finance company need not comply with sub-paragraph (1) in respect of any Singapore borrower for any of the periods specified in sub-paragraph (1B) if the finance company does not during the period permit the Singapore borrower to draw down any further amounts on the unsecured non-card credit facility.

[MAS Notice 827 (Amendment) 2015]

(1B) The periods referred to in sub-paragraph (1A) are –

- (a) the period of 6 months from the date on which a finance company becomes aware that the income of a Singapore borrower has decreased, and that as a result of the decrease, the Singapore borrower's total outstanding unsecured amounts exceed the Singapore borrower's overall credit limit; or
- (b) the entire period during which the Singapore borrower has a debt repayment arrangement with the finance company to repay the finance company in instalments.

[MAS Notice 827 (Amendment) 2015]

(2) Notwithstanding sub-paragraph (1), any amount may be drawn down on any unsecured non-card credit facility if —

- (a) the amount being drawn down represents only fees, interest and charges (including late payment charges) relating to the use of any credit card or charge card issued, or any unsecured non-card credit facility granted, by the finance company or any of its affiliated corporations, and included by the finance company or the affiliated corporation in the total outstanding unsecured amount; or
- (b) subject to sub-paragraph (3) and paragraph 16(2), the Singapore borrower has an annual income of at least \$120,000 (or its equivalent in foreign currency) or his total net personal assets exceed \$2 million (or its equivalent in foreign currency).

[MAS Notice 827 (Amendment) 2015]

(3) If the Authority, having regard to the specific circumstances of a finance company (including whether the credit evaluation and credit risk management practices of the finance company are sufficiently robust to effectively monitor and manage credit risks), issues to the finance company a written direction that sub-paragraph (2)(b) shall no longer apply to the finance company in relation to any Singapore borrower to whom the finance company has issued an unsecured non-card credit facility, then that sub-paragraph shall not apply to the finance company in relation to such Singapore borrower from the date of receipt of the direction by the finance company.

(4) Notwithstanding sub-paragraph (1), the unsecured non-card credit facility may be drawn down with any amount on or after 1st June 2015 if it is for the purpose of repaying any amount owed by the Singapore borrower to any other lender, including fees, interest and charges (including late payment charges), where the finance company has taken reasonable steps to ensure that the amount drawn down is paid to the lender for the purpose of repaying the amount owed to the lender.

[MAS Notice 827 (Amendment) 2015]

(4A) Notwithstanding sub-paragraph (1) but subject to paragraphs 8 and 17 if the amount owed to the lender has been paid under sub-paragraph (4) the finance company may —

- (a) permit further amounts to be drawn down on any unsecured non-card credit facility; and

- (b) grant any other unsecured non-card credit facility to the Singapore borrower.

[MAS Notice 827 (Amendment) 2015]

(6) For the avoidance of doubt, nothing in this paragraph shall prevent any finance company from setting in respect of any unsecured non-card credit facility granted to a Singapore borrower, a credit limit lower than the overall credit limit applicable to the Singapore borrower.

Merger, etc., of finance company affecting amounts outstanding of Singapore borrower, etc.

15(1) A finance company which has granted an unsecured non-card credit facility to a Singapore borrower shall give written notice to the Authority before the finance company or any of its affiliated corporations —

- (b) acquires all the shares in a corporation which has issued a credit card or charge card, or granted an unsecured non-card credit facility, to the same Singapore borrower; or
- (c) acquires the business of a person who has issued a credit card or charge card, or granted an unsecured non-card credit facility, to the same Singapore borrower.

(2) If, upon the merger, consolidation or acquisition, the Singapore borrower's total outstanding unsecured amount exceeds his overall credit limit, then the following persons shall take such steps within such period as may be specified by the Authority by notice in writing to the person to ensure that the Singapore borrower's total outstanding unsecured amount ceases to be in excess of his overall credit limit:

- (a) the finance company or the finance company that is formed as a result of the merger or consolidation (as the case may be);
- (b) if the entity that underwent or undertook the merger, consolidation or acquisition is an affiliated corporation of the finance company, the finance company.

Borrowers who are 60 days or more past due

16(1) This paragraph shall not apply in relation to any loan to a sole proprietor or a partner of a partnership, for a business purpose.

(2) Subject to sub-paragraph (7), a finance company shall not, on or after 1 June 2015, permit any amount (save for any fees, interest and charges (including late payment charges) relating to the use of any unsecured non-card credit facility granted by the finance company) to be drawn down on any unsecured non-card credit facility granted to a Singapore borrower by the finance company once any

amount outstanding on any credit card or charge card issued, or any unsecured non-card credit facility granted, to the Singapore borrower by the finance company is past due for 60 consecutive days or more, until the requirements specified in sub-paragraph (4) are fulfilled.

(3) In determining whether a Singapore borrower has any amount outstanding referred to in sub-paragraphs (2) and (5), a finance company may disregard the following:

- (a) annual fees in respect of any credit card or charge card issued, or any unsecured non-card credit facility granted, to the Singapore borrower;
- (b) any transaction, fees, interest and charges (including late payment charges) in respect of which the Singapore borrower has raised a dispute with the lender which charged the transaction or which imposed the fees, interest or charges;
- (c) any fees, interest and charges charged on —
 - (i) the annual fees referred to in sub-paragraph (a); and
 - (ii) any transaction, fees, interest and charges referred to in sub-paragraph (b).

(4) Subject to paragraphs 14 and 17(1), a finance company may permit an amount to be drawn down on any unsecured non-card credit facility it has granted to a Singapore borrower referred to in sub-paragraph (2) only where —

- (a) the amounts outstanding on all credit cards and charge cards issued and unsecured non-card credit facilities granted to the Singapore borrower by the finance company are no longer past due;
- (b) the finance company has or obtains the documents specified in Appendix 2 that are, subject to paragraph 21, not dated more than 3 months prior to the date that the Singapore borrower is permitted to resume drawing down amounts, for the purpose of assessing the credit-worthiness of the Singapore borrower; and

[MAS Notice 827 (Amendment) 2015]

- (c) the finance company conducts comprehensive checks in accordance with paragraph 12(2) with one or more credit bureaus for the purpose of assessing the credit-worthiness of the Singapore borrower unless such checks were conducted not more than one month prior to the date that the Singapore borrower is permitted to resume drawing down amounts.

(5) Subject to sub-paragraph (7), a finance company shall not, on or after 1 June 2015 —

- (a) grant any unsecured non-card credit facility; or
- (b) increase the aggregate credit limit granted,

to an individual who is a citizen of Singapore or a permanent resident and who has any amount outstanding on any credit card or charge card issued, or any unsecured

non-card credit facility granted, by any lender that is past due for 60 consecutive days or more.

(6) For the purpose of determining whether an individual has any amount outstanding referred to in sub-paragraph (5), the finance company may rely on information obtained through comprehensive checks with one or more credit bureaus and may supplement such information with information that is supported by credible evidence from an independent source.

(7) Notwithstanding sub-paragraphs (2) and (5), a finance company may, in relation to an individual referred to in sub-paragraph (2) or (5), permit any amount to be drawn down on any unsecured non-card credit facility granted to the individual, grant any unsecured non-card credit facility to the individual, or increase the individual's aggregate credit limit by any amount, for —

- (a) any loan specified in paragraph 7(1) to the individual; or
- (b) the repayment of any sum owed by the individual to any other lender, where —
 - (i) the finance company has taken reasonable steps to ensure that the proceeds of the unsecured non-card credit facility or amounts are paid to the other lender for the purpose of repaying the amount owed to the other lender; and
 - (ii) the unsecured non-card credit facility or amounts are not more than the sum owed to the other lender,

unless the amount of the unsecured non-card credit facility or amounts (save for any fees, interest and charges, including late payment charges, which may be imposed by the finance company in connection with the unsecured non-card credit facility or amounts) would result in an increase in the individual's cumulative total outstanding unsecured amount.

(8) Nothing in this paragraph shall prevent a finance company from transferring any amount outstanding on any credit card or charge card issued, or unsecured non-card credit facility granted, to a Singapore borrower to any other credit card or charge card it has issued or will issue, or any unsecured non-card credit facility it has granted or will grant, to the same borrower.

Borrowers whose cumulative total outstanding unsecured amount exceeds their specified income for 3 consecutive months

17(1) Subject to sub-paragraphs 2(A), (3) and (4), a finance company shall not, on or after 1 June 2015 —

- (a) permit any amounts (save for any fees, interest and charges (including late payment charges) relating to the use of the unsecured non-card credit facility) to be drawn down on any unsecured non-card credit facility granted by the finance company to a Singapore borrower whose cumulative total outstanding unsecured amount exceeds his specified income for 3 consecutive months, until the requirements specified in sub-paragraph (5) are fulfilled;

- (b) grant any unsecured non-card credit facility to an individual who is a citizen of Singapore or a permanent resident whose cumulative total outstanding unsecured amount exceeds his specified income for 3 consecutive months; or
- (c) increase the aggregate credit limit granted to a Singapore borrower whose cumulative total outstanding unsecured amount exceeds his specified income for 3 consecutive months.

[MAS Notice 827 (Amendment) 2015]

(2) For the purposes of sub-paragraphs (1), (3), (4) and (5), in determining whether an individual's cumulative total outstanding unsecured amount has exceeded his specified income for 3 consecutive months, a finance company may rely on information from one or more credit bureaus indicating that the individual's cumulative total outstanding unsecured amount for each of 3 consecutive calendar month ends has exceeded his specified income as evidence that the individual's cumulative total outstanding unsecured amount has exceeded his specified income for 3 consecutive months.

[MAS Notice 827 (Amendment) 2015]

(2A) Where a finance company relies, under sub-paragraph (2), on information from one or more credit bureaus as evidence that an individual's cumulative total outstanding unsecured amount has exceeded the specified income for 3 consecutive months, the finance company need only comply with sub-paragraph (1)(a) within a reasonable time after obtaining that information from the credit bureau or bureaus (as the case may be).

[MAS Notice 827 (Amendment) 2015]

(3) Notwithstanding sub-paragraph (1) and subject to paragraphs 16(2) and (5), a finance company may, in relation to an individual referred to in sub-paragraph (1), permit any amount to be drawn down on any unsecured non-card credit facility granted to the individual, grant any unsecured non-card credit facility to the individual, or increase the individual's aggregate credit limit by any amount, even where the individual's cumulative total outstanding unsecured amount exceeds his specified income for 3 consecutive months, if —

- (a) the individual has an annual income of at least \$120,000 (or its equivalent in foreign currency) or his total net personal assets exceed \$2 million (or its equivalent in foreign currency); or
- (b) the individual's cumulative total outstanding unsecured amount is reduced to less than his specified income at any time within the 3 months from the first of the 3 consecutive calendar month ends referred to in sub-paragraph (2).

[MAS Notice 827 (Amendment) 2015]

(4) Notwithstanding sub-paragraph (1), a finance company may, in relation to an individual referred to in that sub-paragraph, permit any amount to be drawn down on any unsecured non-card credit facility granted to the individual, grant any unsecured non-card credit facility to the individual, or increase the individual's

aggregate credit limit by any amount, even where the individual's cumulative total outstanding unsecured amount exceeds his specified income for 3 consecutive months, for —

- (a) any loan specified in paragraph 7(1) to the individual; or
- (b) the repayment of any sum owed by the individual to any other lender, where —
 - (i) the finance company has taken reasonable steps to ensure that the proceeds of the unsecured non-card credit facility or amounts are paid to the other lender for the purpose of repaying the sum owed to the other lender; and
 - (ii) the unsecured non-card credit facility or amounts granted by the finance company are not more than the sum owed to the other lender,

unless the amount of the unsecured non-card credit facility or amounts (save for any fees, interest and charges (including late payment charges) which may be imposed by the finance company in connection with the unsecured non-card credit facility or amounts) would result in an increase in the Singapore borrower's cumulative total outstanding unsecured amount.

[MAS Notice 827 (Amendment) 2015]

(5) Subject to paragraphs 14 and 16(2), a finance company may permit an amount to be drawn down on any unsecured non-card credit facility it has granted to the Singapore borrower referred to in sub-paragraph (1)(a) only where —

- (a) the Singapore borrower's cumulative total outstanding unsecured amount is reduced to less than his specified income; and
- (b) for the purpose of assessing the credit-worthiness of the Singapore borrower, the finance company —
 - (i) has or obtains documents specified in Appendix 2 that are, subject to paragraph 21A(1), dated not more than 3 months prior to the date that the Singapore borrower is permitted to resume charging amounts to the Singapore borrower's unsecured non-card credit facility, to verify the Singapore borrower's specified income; and
 - (ii) conducts comprehensive checks in accordance with paragraph 12(2) with one or more credit bureaus (unless such checks have already been conducted not more than one month prior to the date that the Singapore borrower is permitted to resume drawing down on his unsecured non-card credit facilities).

[MAS Notice 827 (Amendment) 2015]

(6) For the purpose of this paragraph, a finance company may rely on the latest income data in its records, or obtain income documents from the Singapore borrower, in determining the income of a Singapore borrower.

(7) Nothing in this paragraph shall prevent a finance company from transferring any amounts outstanding on any credit card or charge card it has issued, or any unsecured non-card credit facility granted, to a Singapore borrower, to any other credit card or charge card it has issued or will issue, or any unsecured non-card credit facility it has granted or will grant, to the same borrower.

(8) In this paragraph, "specified income", in relation to a Singapore borrower, is to be calculated as follows:

Disclosure of finance and late payment charges, and information on amounts outstanding

18(1) A finance company shall include, in a clear and conspicuous manner, the following information in its statement of payment issued to a borrower:

- (a) any finance charge or late payment charge which is or will be imposed by the finance company and the method of computing such charges;
- (b) any other penalty or consequence for late payment which is or will be imposed by the finance company; and
- (c) a notice advising prompt settlement of the amount outstanding under the statement.

(2) For the avoidance of doubt, nothing in sub-paragraph (1) shall be taken to require any finance company to impose late payment charges or finance charges in respect of its business of granting unsecured non-card credit facilities.

(3) Where, on or after 1 June 2015, a borrower has not paid the outstanding balance in the prior month's statement of payment for a revolving unsecured non-card credit facility in full by the payment due date set out in the prior month's statement, the finance company shall, in its next statement of payment (referred to in this paragraph as the current month's statement) to the borrower or in a sheet attached on top of such statement of payment, include the following information in a clear and conspicuous manner (such as by using font or a sheet of a different colour) the following information:

- (a) in the form specified in Part I of Appendix 3, in relation to a revolving unsecured non-card credit facility in respect of which a minimum payment is contractually required each month —

- (i) the length of time, in years and months, it will take to fully pay off the entire outstanding balance in the current month's statement; and
- (ii) the total amount the borrower will have to pay, including principal, interest and all applicable fees and charges, to fully pay off the entire outstanding balance in the current month's statement,

assuming the borrower does not draw down any further amounts on the revolving unsecured non-card credit facility and pays every month an amount equivalent to the minimum payment set out in the current month's statement on the payment due date set out in the current month's statement and on the payment due date for each subsequent month until the entire outstanding balance in the current month's statement is fully paid off;

- (b) in the form specified in Part II of Appendix 3, in relation to a revolving unsecured non-card credit facility in respect of which payment is contractually required each month, the outstanding balance in 6 months' time, including the principal, interest and all applicable fees, assuming the borrower does not draw down any further amounts on the revolving unsecured non-card credit facility and makes no payment in the next 6 months.

(4) For the purpose of sub-paragraph (3) —

- (a) the computation of the interest shall be based on the applicable interest rate that the finance company generally imposes on similar types of revolving unsecured non-card credit facilities; and
- (b) notwithstanding sub-paragraph (a), the computation of the interest may be based on promotional interest rates for the relevant promotion period provided such promotional interest rates will be applied by the finance company to the borrower's revolving unsecured non-card credit facility.

(5) In projecting the length of time to pay and the total amount to be paid referred to in sub-paragraph (3)(a), where the projected outstanding balance in any subsequent month in the computation of such time and amount falls below the minimum payment set out in the current month's statement, the borrower shall be assumed to pay the outstanding balance in that subsequent month in full on the payment due date for that subsequent month.

(6) Nothing in sub-paragraph (3)(a)(ii) or (b) shall prevent a finance company from —

- (a) providing a breakdown of the required information by product types (such as by cash advance and instalment plans), except that, in such a case, the finance company shall also disclose the aggregate across product types in addition to the breakdown of the required information; or

- (b) including any additional information in the form specified in Part I or Part II of Appendix 3.

Requests *via* telephone

19 For the purpose of this Notice, where a request (other than a request in relation to any unsecured non-card credit facility which would not result in an increase in an individual's aggregate credit limit) is made by an individual to a finance company in the course of a telephone call which was made by the finance company to the individual, the finance company shall not act on the request unless —

- (a) the individual confirms in a separate telephone call made by the finance company to the individual not less than 5 business days after the request that the finance company should proceed with the individual's request, and there is an electronic record of the separate telephone call which satisfies paragraphs (a) and (b) of section 8 of the Electronic Transactions Act (Cap. 88); or
- (b) the individual confirms in a document signed by him (and not through any telephone call made by the finance company to the individual) that the finance company should proceed with his request.

Disclosure required for borrowers who did not pay the outstanding balance in their prior month's statement in full

Part I - Disclosure for revolving unsecured non-card credit facilities for which monthly minimum payments are required, pursuant to paragraph 18(3)(a)

<i>Outstanding balance</i>	<i>[current month's statement's outstanding balance]</i>	<i>Payment Due Date</i>	<i>[current month's statement's payment due date]</i>
Pay your bills in full to avoid further interest and finance charges.			
WARNING: If you do not pay the outstanding balance in full, you will be subject to [the effective interest rate that the finance company generally imposes on similar types of revolving unsecured non-card credit facilities]% interest on [the balances and transactions that attract such an effective interest rate e.g. the outstanding balance and all new amounts drawn down].			
For example, if you pay only [the amount, in dollars and cents, equivalent to the current month's statement's minimum payment] each month,			
you will pay off fully what you currently owe only after [the length of time referred to in paragraph 18(3)(a)(i)]	the total you will need to pay, even without drawing down new amounts, is about [the total amount referred to in paragraph 18(3)(a)(ii)]		

Part II - Disclosure for revolving unsecured non-card credit facilities for which monthly payments are required, pursuant to paragraph 18(3)(b)

Your past due payment status will be reflected in your credit bureau report and may negatively affect your application for a new loan in the future. Legal action may also be taken.	
For example, if you do not make any payment,	
after 6 months	the amount you owe, even without drawing down new amounts, will increase to about [the outstanding balance in 6 months' time referred to in paragraph 18(3)(b)]
