

## **ON BEHALF OF MAS**

21 March 2014

Dear SGXNet User,

With the launch of the new SGXNet on 24 March 2014, a new SGXNet announcement template - "Disclosure of Interest/Changes in Interest" ("New DICl Announcement Template") will be introduced for listed issuers to disseminate notifications of disclosures of interests from reporting persons such as directors, substantial shareholders/unitholders etc. The New DICl Announcement Template will replace the existing SGXNet announcement template for dissemination of notifications.

2 In conjunction with the introduction of the New DICl Announcement Template, MAS will be issuing updated versions of prescribed forms for reporting persons to notify their interests or changes in their interests under Part VII of the SFA ("V 2.0 DICl Forms"). The V 2.0 DICl Forms will replace the existing notification forms ("V 1.0 DICl Forms") published on MAS' website <http://www.mas.gov.sg/Regulations-and-Financial-Stability/Regulations-Guidance-and-Licensing/Securities-Futures-and-Funds-Management/Disclosure-of-Interests.aspx>

3 The above changes will affect the process in which DICl announcements are disseminated via SGXNet and accordingly, it is important for reporting persons and listed issuers to be familiar with the process for doing so. Please refer to Attachment 1 for the areas to take note.

4 Separately, MAS has in the course of administering Part VII of SFA received queries from listed issuers and reporting persons on the filling up of information in Form C (i.e. the contact details form) as well as the notification obligations of directors and substantial shareholders. Please refer to Attachment 2 for a list of common mistakes to avoid.

5 Please disseminate the contents of this email (including attachments) to your team responsible for corporate announcements, and all reporting persons.

Thank you.

Best regards,

Lawrence Wong
