PROHIBITION OF SALES TO EEA RETAIL INVESTORS – The Bonds are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area ("**EEA**"). For these purposes, a retail investor means a person who is one (or more) of the following: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, "**MiFID II**"); (ii) a customer within the meaning of Directive (EU) 2016/97 (as amended, the "**Insurance Distribution Directive**"), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II; or (iii) not a qualified investor as defined in Regulation (EU) 2017/1129 (as amended, the "**Prospectus Regulation**"). Any investment or investment activity to which this Pricing Notice relates is available only to relevant persons and will be engaged in only with relevant persons. Any person who is not a relevant person should not act or rely on this Pricing Notice or any of its contents. – Solely for the purposes of the manufacturer’s product approval process, the target market assessment in respect of the Bonds has led to the conclusion that: (i) the target market for the Bonds is eligible counterparties, as defined in MiFID II or the FCA Handbook Conduct of Business Sourcebook (as relevant), and professional clients, as defined in MiFID II or Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**UK MiFIR**”) (as relevant); and (ii) all channels for distribution of the Bonds to eligible counterparties and professional clients are appropriate. Any person subsequently offering, selling or recommending the Bonds (a “**distributor**”) should take into consideration the manufacturer’s target market assessment; however, a distributor subject to MiFID II or the FCA Handbook Product Intervention and Product Governance Sourcebook (as relevant) is responsible for undertaking its own target market assessment in respect of the Bonds (by either adopting or refining the manufacturer’s target market assessment) and determining appropriate distribution channels.

Where interest, discount income, prepayment fee, redemption premium or break cost is derived from any of the Bonds by any person who (i) is not resident in Singapore and (ii) carries on any operations in Singapore through a permanent establishment in Singapore, the tax exemption available for qualifying debt securities (subject to certain conditions) under the Income Tax Act 1947 of Singapore (the “**ITA**”) shall not apply if such person acquires such Bonds using the funds and profits of such person’s operations through a permanent establishment in Singapore. Any person whose interest, discount income, prepayment fee, redemption premium or break cost derived from the Bonds is not exempt from tax (including for the reasons described above) is required to include such income in a return of income made under the ITA.
